About this Directory

The 2001-2002 Edition of the Massachusetts Public Library Directory has been organized by municipality, and includes an index of all the libraries by name, and an index of the regions and their member libraries. The directory also lists a library's branches, Web site, if any, and provides a population figure for each municipality.

As of press time, all contact information contained herein is correct to the best of the Board's ability. Please direct all corrections and updates concerning the directory to your Regional Library System's office, which maintains LDAP directory information for your library.

We welcome your comments and suggestions on how the directory can be made more useful. Please direct any comments to *Sean Walley, Print and Operations Specialist, Massachusetts Board of Library Commissioners, 648 Beacon Street, Boston, MA 02215* or to Sean.Walley@state.ma.us
